SALOPEK
& ASSOCIATES

The Fairfield Watson HR Toolkit, powered by Salopek & Associates, will provide organizations with the HR tools and resources required to have a fully functioning and legislatively compliant Human Resources program

As you work with Fairfield Watson, you will learn that we not only have your employees best interests in mind but also your vision and values to help you grow and develop as an organization.

“

An organization's greatest asset is their people. It's our core purpose to be committed to people.”

With the Fairfield Watson HR Toolkit, you will have access to exclusive benefits that will enhance your internal programs and provide expert HR advice along the way:

- Access to an award-winning team of HR Professionals on a 24/7 basis
- Complimentary use of key HR policies and templates
- Preferred pricing on customized HR policy guides and personalized one-on-one consulting to help further customize any documents to your organization
